**DECISION:
Case No.: 139849**

Ms. Toliver reported that the Committee found that while providing treatment to Patient A, Dr. Park failed to diagnose decay on tooth #13 on or about January 6, 2010, as evidenced by radiographs taken in her practice on April 11, 2011; and failed to document the material used for the pulp cap procedures performed on teeth #30 and 31 on or about December 29, 2009, and the materials used for the pulp cap procedures performed on teeth #18 and 19 on or about January 6, 2010.

The Committee also found that Dr. Park noted a periodontal screening and recording (PSR) score of 6 in two sextants of the mouths of Patients A and B, however, a PSR score can only be 0-4.

Dr. Park failed to include her address on duplicate laboratory work orders for Patients B, C, and F.

The Committee further found that while providing treatment to Patient B, Dr. Park failed to document the anesthetic used during restoration and post and core build up of teeth #3 and 19 on or about January 17, 2011; failed to note in Patient C's treatment records the materials used when she delivered a crown to tooth #9 on or about September 7, 2010 and tooth #18 on or about March 31, 2011; and she failed to document in Patient F's treatment record the type of post she used to restore teeth #14 and 15 on or about July 26, 2011.

Dr. Park performed a four surface restoration on Patient F's teeth #8 and 9 on or about September 13, 2011, despite the fact that radiographs taken on the same day did not indicate the need for a four surface restoration.

The sanctions reported by Ms. Toliver were that Dr. Park shall pay a \$500.00 monetary penalty and that her license be placed on probation subject to the terms and conditions that within 6 months from the date of entry of the Order she shall successfully complete three hours of continuing education in diagnosis and treatment planning to include periodontal diagnosis.

Dr. Dhakar moved to adopt the decision of the Committee. The motion was seconded and passed.
